Amesbury

Amesbury's sophisticated latticed pattern draws the eye, creating an illusion of space and making it an inspired choice for any interior space. This uniform level loop carpet is available in seven stunning earth tones and natural hues. This subdued colour palette is reminiscent of geological elements such as sandstone, granite and stone.

Technical Data

Manufacturing Standards:

All specifications and colours are subject to manufacturing tolerances and may be changed or discontinued without notice. Product images are for reference only; actual colours may vary from samples due to printing variations, dye lot differences, production runs, and lighting conditions. All variations are within industry standards.

Quality Recommendation:

For homes where you'll stay 5+ years, choose an independently rated Residential Extra Heavy Duty carpet.

Natural Carpet Characteristics:

Depending on style and fibre, your carpet may develop natural characteristics over time:

Permanent Pile Reversal/Shading: Cut pile and cut-and-loop carpets may appear lighter or darker in different areas of the same installation (also called watermarking or pile reversal). This is an inherent characteristic of these carpet styles and does not constitute a manufacturing defect.

Tracking: Footprint impressions are common on plush cut pile surfaces, especially in high-traffic areas. Vacuuming removes these marks, though they may reappear with use.

Other characteristics: Panelling, yellowing, shift lines, or phasing may develop depending on carpet style and fibre.

Pattern Matching:

Patterned carpets naturally vary in width and length. Skilled installers will achieve close pattern matches in most cases, though exact matches cannot be guaranteed.

Installation:

All Feltex carpets must be professionally installed following AS/NZS 2455.1:2007 standards and Feltex NZ Installation Instructions. All seams must be sealed (width and length) per seam sealer manufacturer's recommendations.

Maintenance:

Vacuum 1–2 times weekly. Professionally steam clean every 12–18 months.

Warranty:

All Feltex carpets carry a comprehensive warranty supported by New Zealand after-sales service. As a New Zealand manufacturer, we recognise all consumer rights under the Consumer Guarantees Act 1993 and match any equivalent performance guarantee offered in the marketplace at the time of purchase. Commercial warranties are issued project-by-project with specific terms and conditions.

For detailed warranty information, installation guidelines, care instructions, and carpet characteristics, visit www.feltex.com or call 09 268 3300.

Test results and certificates available on request.
