GENESIS — THE SUSTAINABLE CHOICE

Made from 100% recycled ECONYL® yarn, Genesis is the ultimate sustainable choice. Designed with our planet in mind, Genesis offers superior sustainability credentials.

Designed to perform for even the busiest of families, Genesis also offers amazing stain and fade resistance, perfect for the harsh New Zealand conditions and the right choice for a north-facing room that is bathed in sunlight all day long. It is made to maintain its colour year after year, allowing you to rearrange your rooms as you wish without the fear of leaving patches behind.

The tufted, loop pile construction means that your carpet will always look fresh and won't show any tracking of footfall marks making it a great choice for high-traffic areas.

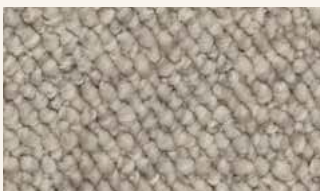

FEATURES AND BENEFITS

- ECONYL® 100% recycled fibre
- Padded, medium loop
- Stain resistant and UV fade resistant
- Won't pill or shed
- Won't track or shade
- Insect and mould resistant
- Made in Australia
- Suitable for stairs
- Impervious backing option available for use in healthcare environments
