**Queenstown™ Collection**  
*Laminate Plank*

Sandy Point

# Queenstown™ Collection

## Laminate Plank

The Queenstown™ laminate flooring collection offers versatile style and performance, available in two ranges: Queenstown™ 1.2 and Queenstown™ 1.5. Both ranges showcase the same 12 beautiful timber inspired plank colours, designed to elevate any home interior.

Both laminate ranges feature a water resistant wear surface and an advanced locking system which fully seals the joints. Properly installed in accordance with the Armstrong Flooring Installation Instructions for use in areas subject to moisture, the floor surface is entirely watertight, preventing any migration of moisture through the locking system. In addition Queenstown™ 1.2 boasts a swell rate of under 10% providing resistance to core damage due to moisture for an extended period (up to 3 days). Queenstown™ 1.5 offers a swell rate of less than 5% providing even further resistance to core damage due to moisture for even longer periods.

Queenstown™ 1.2 planks measure 1215mm x 195mm and feature an AC3^ rated wear layer, while Queenstown™ 1.5 planks are slightly larger at 1515mm x 195mm and boast an AC4^ rated wear layer for greater durability. Built to be stylish and resilient, Queenstown™ is the perfect flooring solution for active households, including those with children and pets.

## Features & Benefits

### WATER RESISTANT CORE & SURFACE

1.2 swell rate is under 10% and  
1.5 swell rate is less than 5%

### EASY CLEAN

Low maintenance properties  
make cleaning easier

### SCRATCH RESISTANT

Protection so your floors  
look newer for longer

### STAIN RESISTANT

For peace of mind  
for life's mishaps

### HIGHLY DURABLE

Designed for foot traffic  
and offers longevity

### WATERTIGHT LOCKING SYSTEM

Ideal for spill prone  
areas such as kitchens\*

### FAMILY APPROVED

Ideal for everyday living so  
you can enjoy your floors

### PET FRIENDLY

Stress less with your furry  
friends running around

^AC stands for Abrasion Class which means the products have been durability tested for abrasion and impact resistance. For residential applications, AC3 is considered heavy duty and AC4 is considered extra heavy duty.

\*Subject to proper installation and care and maintenance as set out in the Armstrong Flooring Installation Instructions and Cleaning and Care Instructions.

Queenstown™

## Blackbutt

---

Warm hardwood featuring a rich grain pattern is suitable for an array of design aesthetics.

Queenstown™

## Wellington

Deep earthy tones create a tranquil and organic touch to elevate any home interior.

Queenstown™

## Sandy Point

Warm and soft vibes of this timber look creates a light, airy and inviting interior.

Queenstown™

**Roseneath**

Deep, rich hues pair beautifully with sophisticated neutral tones for a refined look.

Queenstown™

## Wellington

Embraces nature's beauty  
complementing both neutral or  
vibrant pops of colour.

A nursery room featuring a light wood crib with a colorful blanket, a wooden toy wagon with a doll, and a wooden floor. The crib has a pink blanket with a large yellow sun and a rainbow. A wooden toy wagon with a doll is in the foreground. The floor is made of light wood planks. On the right side, there are three small decorative panels: a wooden surface, a rainbow, and a stylized rainbow graphic.

The natural warmth allows the timber grain to shine creating a calm, balanced backdrop.

Queenstown™

## Sandy Point

With soft, golden undertones, this evokes a relaxed yet sophisticated feel to any space.
