# Stair Nosing

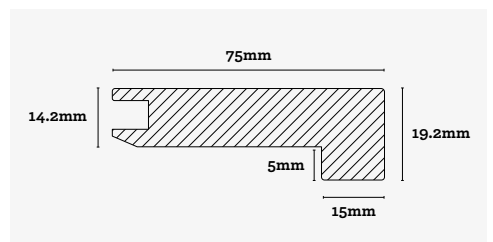

Timber Flooring

Create coherence and effortless style with the Godfrey Hirst matching stair nosing, providing a seamless look and sophisticated finishing touches to your home.

Choose from our Villa and Regal Oak collections, offering ready-to-install solid timber stair nosing.

For the Chateau Oak, Naturals, and Oak Elegance collections, we provide bespoke engineered timber stair nosing upon request, tailored to your specific installation. Achieve a seamless match every time, turning your staircase into a captivating centrepiece for your home.

Consult with your flooring professional to discuss other bespoke options made from your timber planks or aluminium options to match your window framing.
